

Privacy Notice – Webinar

Pursuant to art 13 of Regulation (EU) 2016/679 (hereinafter, the “GDPR”) and in relation to data provided within the webinar “Space economy e industria: le opportunità di ESA Spark Funding” the attendee is hereby informed that its data will be processed by the following means and for the following purposes.

1. Data controller

The data Controller for the processing of your personal data in the context of this event is STAM S.r.l., whose registered office is in Genoa (Italy), via L. Pareto 8a r, Tax code and VAT n° 02417330996. The Controller can be contacted via the e-mail address privacy@stamtech.com.

2. Purpose of processing

- a) Your personal data are processed for the purpose to register you to the event webinar “Space economy e industria: le opportunità di ESA Spark Funding” (through <https://form.jotform.com/242103906041039> event page).
- b) In addition, with your explicit consent, your data will be processed to be further informed with respect to events related to ESA Spark funding and initiatives in the framework of activities of ESA Technology Broker for Italy.
- c) STAM S.r.l. is responsible for the overall organisation of the event as well as the communication with the participants before and after the end of the event.

3. Legal bases

The personal data are collected and processed according to the follow.

The provision of data and related processing for the purposes indicated in point 2.a is necessary to guarantee the data Controller’s services you have requested, and for executing the requests made. If refused, you cannot successfully submit requests and cannot receive a response from the data Controller. The provision of data and related processing for the purposes indicated in point 2.b is not mandatory but based on Your consent. You may, therefore, decide not to provide any data or subsequently refuse processing of data already provided, the only consequence of any such refusal will be that not receiving emails for further information with respect to ESA Spark funding and initiatives in the framework of activities of ESA Technology Broker for Italy.

4. Personal data processing

The personal data processing are contact data (first name, last name, organization, job title, nationality, email address, telephone number - not mandatory).

The data processors involved in the processing operation is “Zoom” which enables the realization of the event broadcast. Its privacy statement is available on the following link: <https://explore.zoom.us/it/privacy/>.

5. Retention period

The retention periods for the personal data are as follows: the data for the purpose in section 2.a will be kept by STAM s.r.l. for a maximum period of 3 years from the virtual event (end of STAM role as ESA Technology Broker for Italy). The purpose of sending e-mails emails for further information with respect to ESA Spark funding and initiatives in the framework of activities of ESA Technology Broker for Italy (point 2.b) will be automatically ended after 3 years from the virtual event.

The data registered on the “Zoom” will be deleted according to the conditions indicated in their privacy policy.

6. Recipients of the data

Without requiring your explicit consent, the Controller may communicate your data to supervisory bodies, judicial authorities, as well as to entities to which communication is mandatory in terms of the law, for carrying out said purposes.

7. Rights of the data subject

As the data subject, you have the right to:

1. obtain confirmation of whether personal details regarding you are processed or not, as well as to obtain a copy of said data;
2. obtain an indication of:
 - the source of the personal data;
 - the purposes and means of processing;
 - the logic involved in the case of processing done with the help of electronic instruments;
 - the identity and the contact details of the controller, controller's representatives, processors and data protection officer;
 - the recipients or categories of recipients to which the personal data can be communicated, or who can come to know the same as the designated representative within the territory of the State, processors, or employees who carry out processing;
3. obtain:
 - updating, rectification, or completion of the data;
 - erasure, transformation into an anonymous form or blocking of data processed in violation of laws;
 - certification that the operations referred to in letters a) and b) have been made known, also in relation to their content, to those to whom the data have been communicated or disclosed by transmission, unless this is impossible or involves a disproportionate effort;
 - a structured format, from the Controller, commonly used and provided in an intelligible and easily accessible form with the personal data related to you, and, where technically feasible, to obtain transmission of said data directly from one controller to another;
4. object to:
 - processing of your personal data, even if pertinent to the purpose for which they were collected.
 - processing of your personal data for the purposes of sending advertising or direct sales materials, or for carrying out market research or commercial communication, using automated telephone calling systems without an operator, by e-mail and or by means of traditional telephone and/or hard copy postal marketing methods. Such right of object may also be exercised only in part, thereby allowing the data subjects to choose whether to receive only communications using traditional means or only automated communications, or neither of the two types of communication.

8. Procedure for exercising rights and communications

The Controller can be contacted for all matters related to processing of your personal data, the exercising of related rights and withdrawing the consent given at any time. Therefore, you may contact the Controller by sending an e-mail message to privacy@stamtech.com.
